

No order **too small**

*R&L specializes on
labor-intensive projects*

R&L Packaging

Customizable, branded & niche orders for your needs

Our Value Proposition

Smaller order sizes allows you to require less storage of your packaging

Triple and quad wall boxes can hold up to 1,100 lbs

Stacking your totes allows for more easy transportation

Short 2 week lamination lead time

Buy direct from the manufacturer to save upwards to 10%

The options are endless

Trays

Pads

Partitions

RSC boxes

Die Cut Boxes

Custom Die Inserts

Custom Corrugated Displays

Pallet Sheets

Staple strips

Triple & Quad Wall Boxes

Gaylord boxes / Octagon boxes

Small Volume Digital Printing

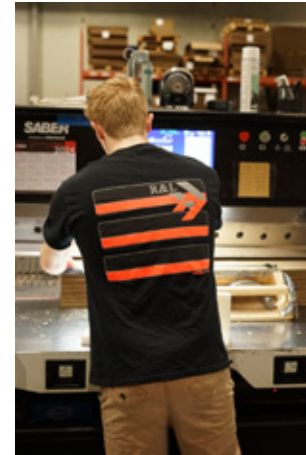

Boxes are sustainable

- Packaging can be recycled up to 6x
- All corrugated paper is a minimum of 60% recycled
- All uncoated paper is 100% recyclable
- Durable, built for protective needs
- Built locally reducing CO₂ of transport
- 28% of municipal waste is packaging, reducing plastic waste by even 1% makes a huge difference

Unlike competitors, we take you from A to Z

R&L specializes in:

- Customization
- Labour intensive
- Branding & box experience
- All of your non brick & mortar needs
- Small lead time for lamination
- small order minimums

**We look forward to
solving your needs**
